ERASMUS HALL HIGH SCHOOL, BROOKLYN, N. Y., APRIL 30, 1964

### **May Promises** Varied Events For Students

by Howard Spiegler

G.O. members had the opportunity this month to participate in several events, and they can look forward to more specialties in May.

On April 14, the G.O. presented the semi-finals of the Talent Show, and the winners went on to perform on April 16 before juniors and seniors in Chapel during period 9. The audience watched the abilities of their classmates displayed in such fields as singing, dancing and comedy.

As candidates for the national presidential nominations roamed the country, electioneering, the candidates for the G.O. went through the first test of their popularity on Primary Day, April 13. The 3 students then chosen for each of the three G.O. offices will test their campaigning ability during the week of April 20 to April 24 by speaking in Chapel. The G.O. will hold elections on May 1.

Friday, May 8 has been designated as Buff and Blue Dance Day and all those who wish to attend should buy their Buff and Blue Dance buttons, allowing admittance, at a charge of

A new event, first in the history of our school, may occur on May 15 if enough interest is shown. This is the Soph Hop. Mr. Weiss emphasizes that only if at least fifty couples purchase tickets will the dance take place. Tickets are \$1.25 per couple. Therefore, the student body is asked for its full support.

### MusicalGroups **Ready Concert**

Choral groups are refining their legatos, and the orchestra and band their arpeggios in preparation for the Music Department's annual Spring Concert to be held at the Walt Whitman Auditorium at Brooklyn College on the evenings of May 29 and 30.

Under the over-all direction of Mr. Cosimo DePietto, chairman of the Music Department, students will present a varied program ranging from classical compositions, to show tunes, to marches. Among the Choral Club's selections will be "Wunderbar" and "Ave Maria" by Victoria. The Boys Glee Club, led by Mr. Joseph Albertson, will sing "Tribute" composed by Mr. Albertson himself and "Ride the Chariot."

Miss Caryl Segerstrom will lead the Cantata in "Roll Chariot Roll" and "Floods of Spring." The band, under Mr. Martin Milella, will play "Capricio Italien" and "Stars and Stripes Forever" and the orchestra will perform, "On the Trail" and "Andante" from the "Pathetique." The finale will be the well-known spiritual "The Battle Hymn of the Republic."

The Parents-Teachers Association hopes to raise funds for student grams at the performances.

#### DATES TO REMEMBER

May 1-G.O. Elections.

May 2—College Boards.

May 8-Buff and Blue Dance Day.

May 9—Luncheon for Miss Corey.

May 15-Soph Hop.

May 29, 30-Spring Concert.

### Gallery Walls **Hold Exhibits**

by Miriam Gottdank

Students and teachers passing the student lounge between classes or during lunch have an opportunity to view the display of paintings by major art students.

The many panels are decked with water-color landscapes, ink washes, figures and collages (surrealistic art forms characterized by various common objects pasted on paper). Prints, pottery, sculpture, and photographs taken by the camera club also adorn our art gallery.

Mr. Z. Marcus, director of the art gallery said of the exhibition, "The work is of an excellent caliber and shows much ability on the part of the students."

In fact a good many of the passersby stop and comment on the display using such terms as, "colorful," "attractive," or "good." One of the spectators particularly admired the modern art while others enjoy landscapes or portraits.

The major art classes are divided into sections including color designs, ceramics, and advertising design. In the past the school had turned out many scholarship winners who continue to pursue an artistic carreer, Some of our art students will reach the public eye for their work and many are already represented in art galleries." Said Mr. Marcus. "Art schools have already accepted quite 4407; Richard Janowitz, 4408; Stan-

CONTENDERS: Jason, Karen and Larry Meet G.O. Adviser, Mr. Weiss.

### English Tutors Select Essays; **Entrants Vie For City Prize**

by Marilyn Winer

Committees of English teachers have selected sixteen essays, four from each grade, for the annual Chamber of Commerce essay contest. Those lucky enough to place in this city-wide essay com-

petition, the title of which was Education: Getting and Holding a Job," will be honored at a luncheon.

Winners in the twelfth year include Rosemary Fox, 1st Place, Sara Bershtel, second, Myra Sinkman, third and Dorothy Krongelb, program was an address by Dr. John

Paul Witkowsky, captured first place honors in the eleventh year, a selection from the Bible, and David Abramowitz played the piano. Newly while other contenders, Jim Dinerstein, Robert Jossen, and Marilyn Winer, followed him closely in a tie for second. Barbara Katz, Girl Leader; and

In the tenth year, Evelyn Brodsky, gained the honors. Michael Friedman, Edward Kahn, and Sheila Hymowitz, share the spot-

Freshmen Martin Goodman, Gus Scheer, Lee Perlman, and Josh Rubinfeld, placed respectively in their grade.

victory in the G.O. presidential primary. Larry received 609 votes in his quest for our school's highest elective office, topping qualifiers Jason Squire and Karen Davis, who had totals of 477 and 450 votes. Susan Greenberg placed fourth with 422

The secretarial primary for the May 1 election produced six candidates. Rose Gordon, who had 367 checks, and Martha Richter and Sharon Schonhaut, who each had 316 tallies, were the three qualifiers. The other candidates were Shelley Kessner, who trailed closely with 307 tallies, Arlene Friedman, with 282 checked ballots, and Marlene Birnbaum, who amassed 212 affirmatives.

There were only three candidates for vice-president, Bella Rabinko, Debby Redd, and Ellen Schuster, and therefore a primary wasn't necessary.

Leading candidate Merrill gave the following for his aims, if elected. "I hope to have celebrities, such as alumna Barbara Streisand, come to our school, to have a column focusing on the G.O. every month in Dutchman, and to institute long promised reforms." The views of the other candidates generally coincided with Larry's statement.

Present G.O. secretary Sybil Rudnick said, "There has never been 100 percent cooperation in the G.O. primary, but this years' total was greater than usual."

### Leaders' Club Offers "Mixer"

"Our main aim," explained Mrs. Ruth Wilner, faculty advisor of the Leaders' Club, "is to acquaint youngsters with Erasmus Hall and give them an idea of what they may look foward to in high school next year," in reply to questions about the forthcoming Junior High School Playday on Friday afternoon, April

Our Leaders' Club will be hostess to students from Walt Whitman, Montauk, Ditmas, Lefferts, The Annex, Hudde, Winthrop and Meyer Levin. The participants from these schools will be divided into eight teams for an afternoon of diversified athletic games and skill demonstrations. Refreshments and an informal discussion will conclude the program.

To organize the playday the leaders have divided themselves into committees; games, refreshments, art, welcoming and program with respective chairmen Carol Rubin, Lorraine Berte, Arlene Grosvenor, Phyllis Waschitz and Ilene Schroder.

"The informal mixers and competitive games, we hope, will provide an opportunity for these junior high school students to meet students from other schools and to acquaint themselves with the health education Lawrence, chairman of the biology program, sports clubs and Leaders' Club of our school," commented Fran

representatives

One of two major awards presented to high school students went to sophomore Malvina Wasserman of this school for her project, "A Method of Controlling Blood Cholesterol." Malvina, who used mice to study the relationship between digestive processes and cholesterol accumulation in the bloodstream, will have her project shown at an exhibition at Abraham and Strauss. She has also won an expense-paid trip to the National Science Fair in Baltimore, May 6 to 9.

Also a winner in the Science Fair was freshman Martin Goodman, who, inspired by Mr. Thomas G. department, analyzed the "Effect of Microwaves on Microorganisms." Miller, Leaders' Club President.

### Fair Recreates Past; Sponsors 140 Displays

by James Dinenstein

New York can be an adventure at almost any time of the year, but this summer, with the advent of the kaleidoscopic wonder known as the World's Fair, it threatens to outdo itself.

The "Olympics of Progress," like most fairs, is a conglomeration of fun, food, and facts, depicting both the past and the future. It is also a representation of our times, our culture, our hopes for peace, and our attempt at international understanding.

Dominated by a huge globe-like structure called the Unisphere, exhibits and pavilions set up by some 140 nations, states, business organizations, and religious organizations stretch from the Fountain of Planets at one end of Flushing Meadows to the Port of New

York Authority and over to the Lake Amusement Area. Greyhound projects visitors into the future with its space-age taxis, the Escorters, along with the Glide-aride trailers and Scenicruiser buses, while General Motors displays visionary new ideas before groups of people in moving chairs. Bell Telephone adds to this amazement with its new Touch-tone phones which replace the dial with push buttons. These have been installed all over the fair grounds at public booths. Even pen pals are picked electronically at the Parker Pen Pavilion. Just fill out a card and a computer does the

The place? -Flushing Meadows. The time?-April 22 through October 18. The and overly dramatic, and even with guest?—YOU!

#### Campus Fair

Amid all the furor regarding the opening of the World's Fair in Queens, there is a tendency to forget that spectacles of this sort are older than Flushing Meadows, and indeed, predate Moses (we mean Robert) himself. Now that we think of it, though, men were enjoying fairs even before the coming of the Moses of the Old Testament.

Throughout the ancient world, in Greece, Rome, China, people frequently gathered for festivals and expositions, and it is quite remarkable how little the purpose of these gatherings have changed in all these years. The General Motors and Pepsi Cola of ancient times were merchants and craftsmen who came to exhibit and trade their finest ware. The fair grounds then, as they are today, were meant to be a setting where men could forget their local differences,

#### What's In An Author

This is William Shakespeare's year. It seems also to be a signal for authorities again to ponder the problem of authorship. This timeless question teases, words fly, theories are propounded and rebuffed. Amid the fuss, though, one fact seems to be obscured: the plays have been written, no matter by whom. During this anniversary year, and for all time, let us cherish them as the masterpieces they are.

### figures, including everything from a court tableau of Versailles right down Roman Empire Falls Short—, and Casey! Also on display as of But Does Succeed Scenically

### The Bard, Or Not the Bard; The Psalms May Reveal All

by Paul Witkowsky

A boy came into the world on the 23rd of April, 1564, in Merrie England's Stratford-on-Avon. Eventually the lad, William Shakespeare, grew up to be the celebrated Or maybe he wasn't the Bard. Better yet, maybe he wasn't even born. But if Shakespeare wasn't Shakespeare, who was he? And who wrote all those plays and

Of the two great Shakespearean forces, the anti-William force is undoubtedly more powerful. Though the Doubters all desire to "discard the Bard," they do not all agree on the glorious ghost writer; they agree only that there was a great conspiracy to present an illiterate as a master of the English language.

Each sect of Doubters sees its own genius behind the name Shakespeare. Most say Francis Bacon wrote all (or some) of the plays (they have written books like The Bi-Lateral Cypher of Francis Bacon), while others support a club of distinguished writers, or Sir Anthony Shirley, or the Earls of Rutland and Oxford. there are those who don't bother to name an author, but dismiss the problem as a "mystery." At any rate, Milton refutes their argument somewhat in his laudatory sonnet 'To Shakespeare,"

Dear Erasmians:

William Shakespeare

to prove that their hero wrote various obscure plays, called the Shakespeare Apocrypha. More recently, however, astrologers have tried to show that the Bard wrote the King James Bible! Here is their proof:

Shakespeare was 46 in 1610, when the King James version appeared. In the 46th Psalm, take the 46th word from the beginning and the 46th from the end, disregarding 'Selah." They are "shake" and Shakespeare. Thus, 'spear.' Clever?

Following this procedure, we have done our own study of the 24th Psalm; disregarding the 'Selah" again, we have obtained 'seas" and "and." Therefore, somebody named Seasand, who was 24 Traditionally, the Believers in the in 1610, wrote the King James

# English Mentor Praises Poet; Opposes Denigration of Bard

Mr. Dominick Bongiorno

"Double, double, toil and trouble; fire burn and cauldron bubble. . . . dark-haired man.

This is no witches' cave, no world of magic. It is simply a session of the Shakespeare English class, headed by Mr. Dominick Bongiorno. To these students and teacher who enter the world of the Bard for forty minutes each day, "the play's the thing," especially Macbeth, Hamlet, and Othello.

### Ashe, Bell To Lead Golfers; Seven Survive

by Mike Goldberg

Coach Neil Brown has started intra-squad activities among his seven top golfers to determine who will become the five starters and two alternates on the team that hopes to retain its Brooklyn Championship title.

Leading the team this year are returning lettermen and now cocaptains Richard Ashe and Mike Bell. Seniors Marty Roberts, Kenny Collins, and Billy Klasson; Juniors Dave Alexander and Ira Kleinman; and managers Richard Allen and Robert Wasserman round out the team.

#### Ashe Top Golfer

The battle is now on for the top five positions on the team. When we oppose other schools our best five will meet their best five in individual matches, which will all weigh equally in determining the winning team.

Richard Ashe was the number two golfer on the team last year, behind Bobby Stern who graduated. This year he has striven to improve his short game, which combined with his fine woods make him the likely candidate as number one man on this year's team.

Last year Mike Bell had trouble with his long game but it looks like he's got it mastered now to go along with his fine irons.

#### Klasson Makes Squad

Senior Marty Roberts is a wellbalanced golfer who has had a little trouble with a hook off the tee. Kenny Collins, on the other hand, is an excellent driver who has somewhat erratic short game. Billy Klasson, who was cut last year, has made the 'team this year.

Juniors Ira Kleinman and Dave Alexander are contrasts in style. Ira is a form player who looks like a pro when he swings, while Dave has a peculiar swing which is flatter than a so called "picture swing."

Balsamo Fans Curtis Player.

### **Dutchmen Wallop Curtis 9-5**; Balsamo Strikes Out Fifteen

up at Erasmus Field. Curtis had beaten the Buff and Blue last season in the semi-finals of the P.S.A.L. championships. Don Balsomo went the full route for the win, facing three Curtis hurlers and striking out fifteen.

Coach Dugan's lineup had Eisen in right field, Greenwood in center, Cutti playing third, Bauer at short, Stein catching, Giordano in left, Borden at first, Chiafetella at second and Balsamo pitching.

Curtis reached Balsamo in the top of the first for three runs on a home run and two hit batters. The Dutchmen didn't score. In the top of the second, Balsamo settled down. Stein led off the bottom of the second with a sharp single. Giordano moved him to third with a double and Borden sacrificed him to third. With two out, Balsamo belted a double to the deep center, driving home the other run of the inning.

The Dutchmen tied the game at 3-3 in the bottom of the third on an unearned run. Curtis went ahead

Thursday April 9, marked the by one in the top of the fourth diamondmen's victory over Curtis but the Diamondmen recaptured 9-5 in their final pre-season warm- the lead in the bottom half of the frame with two runs. The Curtis nine tied it up at 5-5 in the top of the fifth with their last run of the game coming on a home run. Again the Sluggers went ahead by two with singles from Balsamo and Greenwood and a walk to Cutti.

Balsamo blanked Curtis the last two innings while the team added two more runs in the bottom of the sixth. The squad finished with nine runs, eleven hits and one error.

### Relay Places Fourth In Commerce Relays

In the first meet of the outdoor season, the Commerce Relays, coach Mel Heichman's trackmen acquitted themselves notably.

The 880 yard relay team of Roger Lancaster, Joe Gardner, Robert Grimes and Mel Jermison placed fourth in the class "A" section. The team was handicapped by being placed in the slower section of the finals. Jermison and Gardner produced two of the fastest times of the day. Mel ran a 21.2 220 while Joe ran a 21.5 leg. Roger and Mel combined for the best lead-off and anchor legs of the day.

An untested freshman mile relay team composed of Laurence Clark, Larry Conway, Weltin Fikes, and Gus Sheer placed third in their event. The mile relay team of Joe Lebovic, Mike Goldberg, Rutheun Noel, and Ben Ward, placed fourth in the class "B" race. Eric Cooper, Harold Augustus, Morrison Mebane, and Nick Kirksey finished fifth in the novice sprint medley.

Other performers were Stan Brimberg, George Aycock, Dennis Boyce, Charles Brutton, John Di Paolo, Andrew Ferrara, Myron Greenshner, Joe La Bate, Newton Lee, Martin Prince and Richard Sills.

The outdoor meets in the near future are the Queens-Iona Relays, Penn Relays, and the Flatbush Relays.

In conjunction with the major meets the speedsters also compete in a dual meet league. This league is considered to be the "suicide division" in the track world.

Post's picks. Coak Cannon and Stu Kerzner received honorable mention honors.

Standard was also named a member of the All-City team which entries in the Public Schools Ath- is the team manager. competed in the Allentown Basketball Tournament. Frank scored 24 ment, and the Columbia Invitational that the team's only weakness points in two contests.

### Captain And Coach Optimistic; Anticipate City Championship

by Bruce Goldwitz

"Last year we had to settle at just being borough champs. This year we're going to be in the city finals," commented baseball coach Austin Dugan optimistically.

The teams march last season was halted by Curtis in the semi-finals of the City Championships, but not before the diamondmen compiled an outstanding 23-5

Handball Team Wins total and 9-1 league record. In Pre-Season Match

by Marty Kartin

"I am hopeful that we will do better than last year," stated handball coach John Reinhardt. "I do not want to make any haphazard predictions because I expect the competition to be much keener this year," added the coach.

Since February the team has been practicing at our home courts on Nostrand and Foster Avenues, weather permitting. In several preseason matches the team faced Tech, Tilden and Jefferson. A most impressive match was the one against Tilden on March 24, when the Dutchmen won 7-2.

The regular P.S.A.L. begins on April 16 against Sheepshead at home. In league competition a match consists of three "singles" contests and two sets of "doubles" contests. The winner of each individual encounter is decided on the basis of one game of 21

Captain Wally Ulbrich who was undefeated in competition last year, will return as number one singles man. Eddie Gold will be playing second singles and Arnold Silverstein, who played doubles last year, will be the number three singles player. The first doubles team consists of lettermen Dennis Jonelit and Mike Pezzotta and the second duo will be composed of Richard Mantelone and either Neil Berman or Stan Ingerman.

Said Mr. Reinhardt, "I am very pleased with the boys' attitude toward handball, a sport re-established here last year. Every team needs support and we would like to see more people come out to the matches."

A major factor was the squad's ace pitcher Don Balsamo. His pitching record clearly shows it. He won thirteen and lost only two, struck out 120 men in only 72 innings, and tabulated a remarkably low 0.89 ERA.

"The fellows try hard and they really put out," says Don about the squad. "We have a few positions to be worked on, but once this is done, I feel we will function as a unit." Another strongpoint is the return of eight veterans. Lettermen include captain Balsamo, John Bauer, Mike Chiafatella, Jerry DeStasio, Mark Eisen, Joey Giordano, Kenny Mills and Harvey Stein.

Balsamo believes that the toughest competition in league play will come from Sheepshead and Madison. As for the starting positions, Richard Borden will be at first, Chiafatella or Mills at second, Bauer at Shortstop and Bill Cutti will complete the infield at third base. In the outfield Giordano will be in right, Richie Greenwood in center and Eisen or DeStasio in left field. Harvey Stein will have the catching honors. Mark Eisen and Leslie Kershner will alternate with Don Balsamo on the

### Tennis Team Eyes City Title; Lempert, Feit Enter Tourneys

"Erasmus Hall is fortunate to have a contender in the race for the Division II tennis championships again this year," stated tennis coach Al Badain, when he summed up his team's chances this year. "We have a strong, well-rounded team and we are going to make an all-out push for the title."

The squad has already played twice, defeating Fort Hamilton High School by a score of 5 to nothing, and vanquishing Westinghouse High School, 5-1.

The team plays Sheepshead Bay next, on April 20th. Then they play Lafayette, on April 27th, New Utrecht, on April 30th, and Fort Hamilton again, on May 4th. The squad closes out the season against James Madison, on May 6th, and Grady, on May 11th.

The captains are: Bob Lempert (number 1) and Mike Feit (number 2). Mr. Badain considers Lempert the best tennis player the school has had since 1952, the heyday of letic League Invitational Tourna-Tournament.

**Bob Lempert** 

Mike Esmond is the number 3 singles player. Ed Sussman and Matt Corey pair off to form the number 1 doubles team, and Paul Spirn and Dave Berkowitz are the number 2 doubles pair. Substitutes for our top seven are: Robert Jos-Steiner and Schwartz. Lempert and sen, Alan Demsky, John Mitchell Feit will be the school's principal and Mark Scheinbaum. Eddie Birch

> In summing up, Mr. Badain feels is a lack of practice.

# On The Ball

the interest of the sports fan. After the stuffy indoor season, one looks ahead to the sunny outdoor season.

Dutchmen athletic contingents are also eagerly awaiting the Spring season. This season, we are once more capably represented by our teams. Most of the squads have many returning veterans and other experienced members.

The diamondmen, coached by Austin Dugan, will try to annex the elusive City Championship. Last season, they reached the semi-finals after winning the Borough Champ-

Coach Neal Brown's golf team reached the semi-finals last year also. They will try to match and improve this showing. The Netmen, under the tutelage of acting chairman Al Badain, will try to improve over last year's division title record. The handball team, coached by John Reinhardt, are coming back after a highly successful inaugural season.

Our trackmen will find it hard to improve over last year's undefeated season. Because of their success they have been placed into the toughest division in the city.

As the seasons change, so does | Of the original six teams, two have already dropped out. Coach Mel Heichman will pit his men against Wingate, Lincoln, and the City Champions, Boys High.

> Flashback: After the conclusion of the basketball season, the cagers received many accolades. Frank Standard was picked for the Telegram and Journal's All-City teams. He received second team honors along with Albie White in the

### Shakespeare Quartercentenary **Attracts City-Wide Attention**

It has been four hundred years | Shakespeare Festival is a non-profit since William Shakespeare was born April 23, 1564 in Stratford England. Since that time the name of Shakespeare has become immortal. His plays have had a profound effect not only on the English language but on world literature. In accordance with the quadro-centennial several productions will be presented in the New York City area.

For the third consecutive year, Channel 2 will televise a video-taped production from the series presented by the New York Shakespeare Festival. This year it will be Hamlet, starring Alfred Ryder as Hamlet and Julie Harris as Ophelia. It will be a three hour production to be shown June 16.

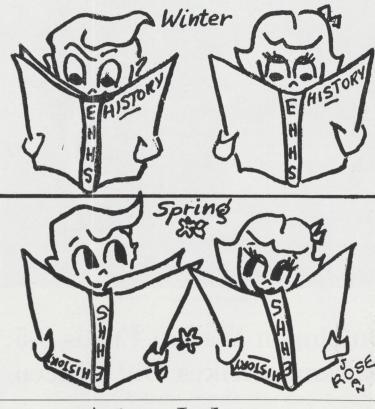

In addition to Hamlet, which the Festival will present from June 10-July 4, Othello is scheduled for July 8-Aug. 1. Concluding the season will be Sophocles tragedy Electra from Aug. 5 - Aug. 29. All performances will be at the Delacorte Theatre, Belvedere Lake in Central Park. The New York.

organization and admission is free but donations and sponsorships are accepted.

The Metropolitan Opera highlighted the closing week, April 9, of its 79th season with Giusseppe Verdi's Otello. Verdi's Falstaff and Macbeth were scheduled for the evenings of April 7 and 11.

Sir John Gielgud's production of Hamlet opened Thursday evening, April 9 and will run through June 27 at the Lunt-Fontanne Theatre, W. 46th St. The play starring Richard Burton, Hume Cronyn and Alfred Drake is acted in modern dress. The concept of using modern dress is not new. Tyrone Guthrie used it in his interpretation of Hamlet for the Minneapolis-St. Paul Repertory Theatre.

In Stratford Connecticut, the annual Shakespeare Festival is now in progress. Arrangements can be made for tickets and transportation from

### Sabia Is Artist; **Brings Beauty** To the Campus

by Marilyn Winer

As sophomores we wonder at the quiet beauty of its flower-bordered walks and green lawns, as juniors we become oblivious to it, and as seniors we gather memories of it to recall in later years.

A school cannot change without affecting its surroundings, and this is quite evident from the history of our campus. The first one, doubling as a playing field for the old academy, was a rolling expanse dotted with ancient trees. As time went on, much of it was yielded to make way for progress and the campus began to take the shape of the one we now know.

What of those persons whose efforts made it what it is today? Most of the planning, labor, and funds came from the students and faculty themselves, in the form of donations or club work. Up until 1922, the senior class held a treeplanting ceremony each year on Arbor Day, the highlight of which was the passing on of the spade to the oncoming class. In 1930, the Teachers' Garden Club was founded and in 1936, the Quadrangle Club, which took over the responsibilities of financing from the G.O.

Last, but certainly not least, is Mr. Dominic Sabia, who has spent 57 years in the gardens. To him goes credit for those "forsythia spilling over the campus" is the fondest memory of many former Erasmians.

We are proud that Erasmians of to-day cherish our lovely campus as did those in the past.

### laremont school **EXECUTIVE SECRETARIAL TRAINING**

Make your summer count at New York's largest private summer school. Complete schedule of high school subjects, including Driver Education. Extracurricular activities. Moderate tuition. Credit at home high school. Morning and accelerated evening sessions. Personal attention, Small classes. Fully accredited. Send for pamphlet.
